RE: APPLICATION FOR CERTIFICATE OF INCENTIVES-REGIONAL AIR SERVICES LTD

We are hereby submitting our request to be registered under the Tanzania Investment Centre (TIC). Regional Air Services Limited (RAS) is a domestic airline registered and operating in Tanzania and is a subsidiary of Airkenya Express Limited, a leading domestic airline in Kenya.

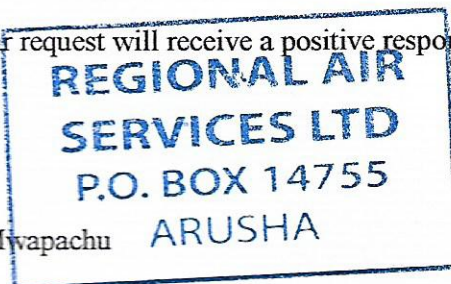

From our base at Arusha Airport, we provides easy connections to Tanzania's Northern Parks which comprise of Lake Manyara National Park, Serengeti National Park and Tarangire National Park. We also offers a daily schedule flight to Zanzibar and Dar es Salaam thus giving clients a bush and beach experience. RAS's main goal is to provide superior, reliable, flexible and cost effective aviation services to satisfy the needs of Tanzania's tourism sector, and we have continued to invest in terms of aircrafts to achieve that goal.

Since its inception in May 1997 RAS has strived to offer a consistently superior service on both schedule and charter flights hence enabling the clients to "Discover the best of Tanzania."

We are hopeful that our request will receive a positive response.
