

**TANZANIA INVESTMENT CENTRE  
DAR ES SALAAM  
PROGRESS REPORT  
OF  
SHINYANGA EMPORIUM (1978) LTD  
PLOT NOS 238-241, NYERERE ROAD,  
DAR ES SALAAM.**

The Construction and setting up of this Warehouse is 80-85% complete and we hope to start operations shortly.

1. Planned Activities for the period

- Furnish the warehouse
- Set up Reception and staff facilities
- Complete electrical work-set up of lights, fans, switches etc.
- Complete Airconditioning.
- Back-up Generator to be procured and connected
- Set up Cable and Internet network.
- Complete project and make it operational

2. Project Financial Expenditure to Date in TShs:

|                 | LOCAL         | TOTAL         |
|-----------------|---------------|---------------|
| LAND & BUILDING | 1,895,200,000 | 1,895,200,000 |

3. Achievements made on the project to date

- Base of warehouse is ready
- Roofing is completed

4. Project Financing

The total fund for this project is contributed by Directors.

5. Future plans

We hope to complete and start this warehouse in the coming month but definitely before the year end.

6. The project will provide employment to about 50 people when it starts and will also generate revenue for the Government-both locally and in foreign exchange

This report is dated May 11, 2020.
