Since 1996 when our company started Dar es Salaam Independent School, we have had Certificates of Incentives issued by your office. The first was issued in 1998 and the last one in 2010

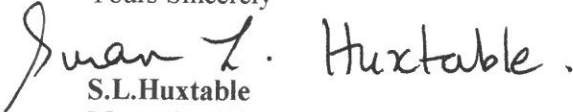

1. Attached is the original copy of the Certificate of Incentives for 2010.
2. Attached are certified copies of the share certificates
3. Attached is a recent BREL A Search which includes all information about Share Holders
4. Attached is a copy of the Certificate of Incorporation for the company
5. Attached is a copy of our Tin Certificate.
6. Attached are extracts from our Audited Financial statements 2010 to 2019 showing relevant information about project expenditure since we received our last incentive Certificate from you.
7. Also, between the years 2010 and 2015 we paid insurance on my life as a Director of the company to secure the loan to purchase the plot in Mbweni.
8. Attached is the receipt showing we have paid 1000US\$

From this information I hope you will see that we have done what we said we would do and more. We are continuing to plan and execute our development of a Primary and Secondary School on our Mbweni Plot. We welcome a visit from you to see the work in action.

I am writing to the Tanzanian Investment Centre (TIC) to request its assistance to amend the Certificate of Incentives to reflect the current shareholder structure.

Thanking you in advance for your help.

Yours Sincerely
