**Re: Application for Change of Name and Expansion of the Project**

Dear Sir,

Please refer to your letter ref. No.: TIC/MAN/PP.10/040492-01/3 dated 15.07.2020.

In reference to our prior issued certificate of incentive during 2009, we would like to inform you that we have already completed our project and currently running with the previously highlighted production facility and setup.

We have currently applied for the new certificate of Incentive for the expansion of the project to increase our production capacity with new technology and machinery.

Further, please be informed that we have changed our company name from DPI Simba Ltd to **Simba Pipe Industries Ltd**. A copy of certificate of change of name is attached herewith for your reference. Hence you have approval to proceed with amendment of company name on our new Certificate of Incentives.

We are submitting the information required for expansion for your approval and issuance of the new certificate of incentive.

Thanking you for your kind support.
