TIC Certificate No. 120068**

We have received your letter dated 29 September 2020, with Ref. No. TIC/PP10/120068/25.

As requested, to support our Application for an Amended TIC Certificate to reflect the current shareholding as of the date of this letter, we have attached;

- (i) Original and amended TIC Certificates
- (ii) Project Progress Report for the past 6 months
- (iii) Project Photos
- (iv) TIC Payment receipt for the US\$1,000 amendment fee (stamped)

As we have noted in our previous communications with TIC, we require the updated certificate with the current shareholding information in order to process Mr. Tate's work permit, Class A Resident Permit, and Business License.

Please inform us when the Amended Certificate is available. You may reach me via email at jtate@ruahaenergy.com.

Thank you for your attention to this matter.

Humbly submitted,
