Executive Director,

Dear Sir / Me,

12th August, 2020.

RE: JUSTIFICATION LETTER FOR THE EMULSION PLANT PROJECT -043085 KILWA - LINDI

As per the heading herewith, we kindly submit a justification letter for having stuck with the progress of the plant due to the outbreak of Covid 19 pandemic.

As per the exemption extended to us by your office signed and received November 2019, this was valid for one year which already expired July 2020.

All parts for the Plant are still abroad though, some of the countries have started lifting the ban which allows us to import them immediately.

We henceforth, request for the **extension of implementation period**, to submit to TRA for clearing procedures.

Attached herewith, is the invoice for some parts to be received at our Dar es Salaam port together with future orders expected soon.

Together with this, kindly find herein progress report and the current certificate validity.

We hope your good office will act positively into our application.

Yours Sincerely,

Kimambo
Lucky may Kimambo.
