Dear Sir / Madam,

Re: Request for Amendment of TIC Certificate of Incentives No 01237-01.

We humbly request your good offices to amend our Certificate of Incentives No 01237-01. The current certificate is still valid until April 2022, however, there has been a change in the shareholder structure within the company.

Attached is a copy of the BRELA search letter, showing the relevant changes, and a progress report.

We look forward to a positive response.

Yours Sincerely,

Adam N. Lindsay
Director.
