Dear Sir,

RE: APPLICATION FOR REPLACEMENT OF LOST CERTIFICATE OF INCENTIVE

Kindly refer the caption above.

Musoma Food Company Limited is a registered company with Registration No.67334. The company engage on grain milling and animal feed production in Shinyanga and Mwanza. The company was granted a certificate of incentives in year 2008. This certificate enabled the company to acquire plant and machinery such as grain milling machines and other equipment's under VAT exemption. However, the certificate was misplaced while the Director **Mr. Said Kate Makilagi** was on the way to Dares Salaam and since then it has not been found. We applied for a loss report and advertised on Uhuru and Nipashe Newspapers in order that anyone who come across can return that certificate, but no one did. We therefore request your good office to replace us with the same certificate of incentive so that we can continue with operations and importing of more machineries.

With this letter we enclose Progress report for last six months, police loss report, adverts for the loss of certificate of incentives for Nipashe and Uhuru newspapers, certificate of incorporation and tax identification number photocopies for your references. Thank you for your good cooperation.

Yours faithfully,

SAID KATE MAKILAGI
Managing Director
