Dear Sir,

Ref: Request new Incentive Certificate for New Investment at Plot No 79-81

We are delighted to inform you that as per path shown by His Excellency President John Pombe Magufuli, President of the United Republic of Tanzania; we are investing in a new project in the plot number 79 and 81 at Vikindu Village; Mukuranga with cement production capacity by 1200 ton per day from the year 2021.

This will be completely new project and new investments will be made with new purchased land and other all new machineries. Although this new project site of prospective factory will be constructed totally different plot of land which is brought recently for this new project for the purpose of putting these new plots 79-81 in the original project at plot number 17 with certificate of incentive number 041728 was to make it smooth the process of getting derivative title which is now ongoing process through TIC.

We have attached site plan for our new project at plot number 79 and 81 of Vikundu Village, Mukuranga District with this application for your ready reference.

In this connection we would like to request you to give full Support from your good office by extending full incentive from Tanzania Investment Centre for this new upcoming new investment in cement plant

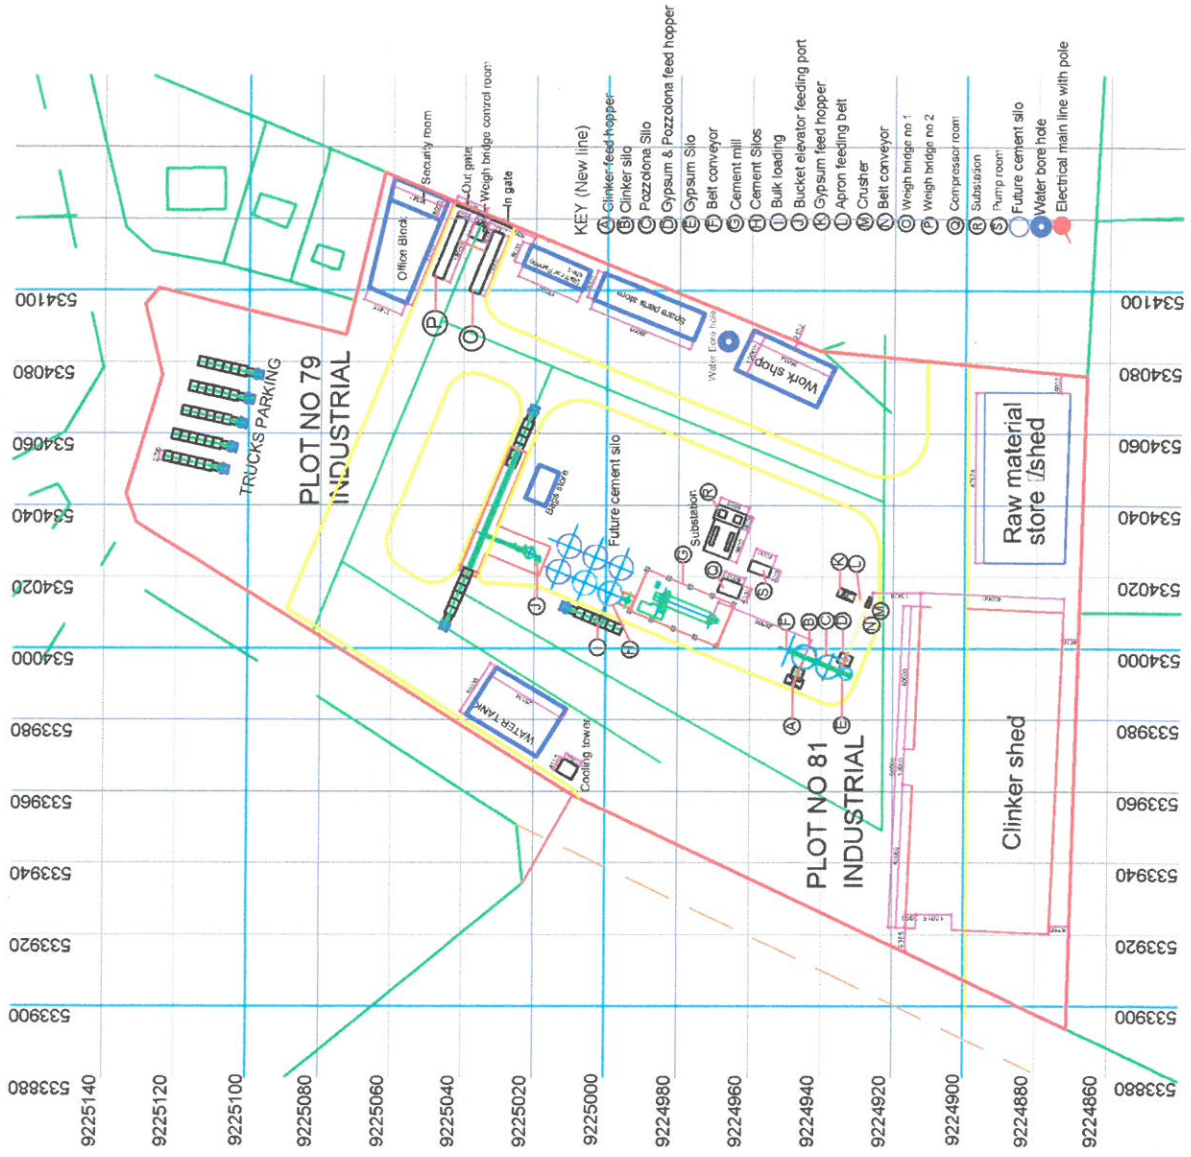

We humbly wait for your favored response and kindly request a prompt reply.

Together we build the Nation.

Yours sincerely,

Prem Ahuja
