Dear Madam

**RE: APPLICATION OF TIC CERTIFICATION**

With the re-subjection of the above topic, the Management of Tri-Pump has great honour to submit to your humble Office our request of application for TIC Certification in order to enjoy the benefits of fiscal and non-fiscal incentives offered to investors like us.

Objectives of our business are to offer technical support in terms of new pump units, training and servicing on equipment and acquiring correct spare parts to Tanzania society, either on site or at one of our regional facility.

Our project is located at Nyakato Industrial Area, Plot No 9, Block No, KK, Nyerere Road, Nyamagana District in Mwanza region.

We so highly appreciate this opportunity and expect that our application will meet your immediate accordance and considerations

Yours truly,
