Dear Sir/Madam

**RE: REQUEST FOR AMENDMENT OF PREVIOUS TIC CERTIFICATE AND  
INCLUDE THE NEW PROJECT**

We are developing a new project for processing and storage of hybrid seeds on various crops such as maize, wheat, soya beans, vegetables etc at Farm No. 1771 Engorora Village, Arusha District in Arusha Region. The project is expected to provide the most needed quality seeds with the aim of assuring Tanzania farmers highest quality of crops.

It is for this purpose we hereby request for amendment of previous TIC certificate and include the new project to facilitate smooth implementation of the project. Attached herewith please find the following basic documents for ease of reference and approval;

1. The Original TIC Certificate of Incentive.
2. Progress Report.
3. New Project Business Plan Report
4. Evidence of sufficient finance capital available to implement the new project in a form of personal bank statements
5. Evidence of a new project location in a form of Title Deed
6. Company Board Approval to amend previous TIC Certificate and include the new project.
7. Current Annual Returns of the Company
10. Copy of Tax Identification Certificate
11. Evidence of payment of facilitation fees of US \$ 1,000 in a form of bank payment slip to include the new project.

Yours sincerely,

  
**Clive Mugadza**  
**Managing Director**
