**RE: CERTIFICATE OF INCENTIVES FOR XTENDA FINANCE
(TANZANIA) LIMITED**

Reference is made to the heading above with respect to the company's letter (F5). The Investor applies for amendment on section 1 and requests waiver on the USD 1,000 requirement on account of mis-recorded nationality of one Shareholder. The named Company was registered and issued with COI No. 024393 of July 20th, 2019.

In the issued Certificate Shareholder Bornface Nyoni's nationality was recorded as being Tanzanian while in reality it is Zimbabwean. The application form and the BRELA Search submitted during application show that his nationality is Zimbabwean.

I am of an opinion that the error emanated from our end and am suggesting that we grant the waive on account of the requested amendment.

I submit for your guidance

There was an error from our side during project evaluation where one of shareholder was recorded as a Tanzanian instead of a Zimbabwean. Investor requests TIC to amend the nationality and waive a USD 1000 fee. I hereby submit the request for your consideration.
