

Summary of PVV to H&S DEVELOPERS Report

S/N	Issue/Aspect	Summary of explanation/evidence
1	When was COI issued by TIC	26 th February 2014
2	When did the actual establishment commence?	15 th April 2016
3	If the project faced any delays establish /quantify delay period	<ul style="list-style-type: none"> • Financing delay: long negotiations with International financing took 3 (ie. 2014-2017) years. • Delays caused by Contractor: The Company discussed with the Contractor and agreed both parties to observe all conditions and ToRs in the contract.
4	What were the causes of the above delays? List them and attach evidence for each from the investor	Long negotiations with the financier who wanted to satisfy himself/herself on viability of the project (refer Annex I letter of 14 th September 2018)
5	List the remaining activities to complete the project	<ol style="list-style-type: none"> i. Wall painting ii. Flooring iii. Plumbing and iv. Electrical works v. Procurement of hotel equipment vi. Furniture vii. Kitchen wares viii. Installation of security systems
6	Inform on how each of the above listed remaining activities is affected without COI extension. e.g. capital goods importation and TRA exemptions – attach evidence including TRA approval and list, invoices, Bill of Landing or packing list	In the list above, some of the activities that need COI extension to be completed are Plumbing, Electrical works, Installation of security systems (refer Annex Duty/VAT exemption on capital Goods from TRA). The above mentioned activities need COI extension to give a way for project completion, if not implemented will cause delays in completion of the project and therefore delay government revenues, expected jobs and income to Tanzanians.

		All remaining activities for the project are expected to be completed by end of 2020.
7	Recommend the amount of time needed to complete these activities	The time needed to complete these activities is 6 months.

Mr. Girson Leonard Ntimba

(Team Leader)

28/09/2020

**RE: DUTY /VAT EXMPTION ON CAPITAL/DEEMED CAPITAL GOODS-
CERTIFICATE OF INCENTIVES NO.061310 OF 26.02.2014
TIN: 123-266-617**

We are writing in response to your letter of 26th September, 2014 as supported by the letter TICC/PP.10/061310/7 of 26th September, 2014, from Tanzania Investment Centre regarding the captioned subject.

We hereby approve and confirm items as per thirteen-page list as capital deemed/capital goods for facilitation of your project with certificate of incentives mentioned above. Please take note that deleted items such office equipment, tiles, furniture, air conditioners, motor vehicles and electronics are not eligible for exemption. Locally available goods such as cement and reinforcement bars should be procured locally.

The approved deemed capital goods will be exempted from Import Duty to the tune of 75% of the amount of Import Duty to which the goods would otherwise be liable and VAT relieved to the tune of 45% of the amount of VAT payable. Please complete VAT form 224 and submit the same for approval to the Commissioner for Domestic Revenue for local purchases and Commissioner for Customs and Excise for importations.

Sincerely yours,

Said Athumani
