We HANSOM TANZANIA LIMITED WITH TIN 123 776 119 dealing with assembling of construction equipments writing this letter to your good office kindly applying for the amendment of certificate of incentives new certificate after the previous one expired on APRIL 2017.

We were not able to renew on time because we stopped operation since that time we were working on transfer issue of our land so as we can shift to our owned land at BOKO, the previous area was small and not friendly for the investment.
