RE: SCOPING REPORT AND TERMS OF REFERENCE FOR THE PROPOSED CONSTRUCTION OF EDIBLE SUNFLOWER OIL PRODUCTION PLANT AT MAJENGO MNADANI AREA, MANYONI WARD IN MANYONI DISTRICT, SINGIDA REGION

We acknowledge receipt of your letter dated 5th July, 2016 submitted with scoping report and Terms of Reference (ToR) for undertaking and Environmental Impact Assessment (EIA) study for the above mentioned project.

The Council has reviewed the scoping report and the ToR and found that there are some areas that need to be worked on to improve the ToR so that they can in turn be used to guide the EIA study.

In addition to observing the ToR, we emphasize that you undertake the EIA study, prepare the EIA report and submit the EIS to the National Environment Management Council according to the requirements of the EIA and Audit Regulations, 2005. Please note that the following should be clearly noted in the EIA report:-

i. The following stakeholder should be consulted and their concerns should be addressed in the EIA report i.e. Ministry of Industry, Trade and Investment;
ii. The project alternatives should be exhaustively analysed and the selection should take into consideration the environmental, social and economic importance's (i.e. alternative location and design;
iii. Description of the process flow sheet for the oil manufacturing including the input stream, output, by-products, waste generation and its management mechanism;
iv. Explain clearly the kind of technology that will be used for the effluent treatment and final disposal;

...should be specific to the project area and should address the ... biological, cultural, socio-economic and scientific data ... to this project; and

... of the area should be compatible with the land use of the planning ... Council's.

Upon submission of the EIS, the Council will arrange for a technical review of the document by the Consultative Technical Advisory Committee (TAC). Prior to review, representatives ... will visit the proposed project area to inspect the site and verify the adequacy of the EIS.

The budget for basic review activities amounts to *Thirty Million* (30,000,000/=) as elaborated on the attached invoice. The funds can be paid by Cheque or in Cash to NEMC's Current Account No. 0150005055806 CRDB Bank Plc, Branch: **TOWER**; swift code CORUTZXXX Account name: **National Environment Management Council**. Funds to facilitate the review process should be paid to the Council on the date of submission of the EIS. Please note that this budget does not include the transport cost for the site visit team from the meeting point to and from the project site.

In case you need further clarification on this matter, please do not hesitate to contact us on Tel No. 0659-615136

Yours Sincerely,

Arnold Kisiraga
