RE: SCOPING REPORT AND TERMS OF REFERENCE (ToR) FOR PROPOSED ESTABLISHMENT OF THE SUNFLOWER OIL PRODUCTION PLANT AT MANGUANJUKA VILLAGE, MANDEWA WARD IN SINGODA MUNICIPALITY, SINGIDA REGION

The above caption heading refers

We acknowledge receipt of your letter dated 12th December, 2015 attached with Scoping Report and Terms of Reference (ToR) for undertaking an Environmental Impact Assessment (EIA) study for the above mentioned project.

The Council has reviewed the scoping report and ToR and found that there are some areas that need to be worked on to improve the ToR so that they can in turn be used to guide the EIA study.

In addition to observing the ToR, we emphasize that you undertake the EIA study, prepare the EIA report and submit the EIS to the National Environment Management Council, according to the requirements of the EIA and Audit Regulations, 2005.

However, the EIA study should take note of the following;

1. The following stakeholders should be consulted and their concerns should be addressed in this EIA report i.e. Ministry of Industry and Trade, OSHA, Ministry of Lands and Human Settlement development, Tanzania Food and Drugs Authority and Tanzania Bureau of Standards,
