REF: Application of Amendment of Certificate of Incentives No. 032241

Refer to the heading above:

Sakila Sunrise Limited is a TIC registered project with Certificate of Incentives No. 032241. The project was registered to establish and operate a tourist hotel under tourism sector since 2016.

During application of Certificate of Incentives, one of our Director and shareholder has dual citizenship, and the registration was done with Norwegian Nationality, but the shareholder and Director is commonly using USA passport.

Due to the above explanation, we ask your good office to amend the Certificate of Incentives and ready the USA Nationality and amend the shareholding structure in the official Brela search.

With this letter, we attach the Progress Report and following for your reference:

- (i) USA passport
- (ii). Brela search showing current Shareholding structure
- (iii) Original Certificate of Incentives
- (iv) TIC receipt for 1000 USD
