DEAR SIR/MADAM,

RE: APPLICATION FOR CERTIFICATE OF INCENTIVES

We Goodwill Tanzania Ceramic Company Limited, a limited liability company duly incorporated under the company's act 2002 and licensed to carry out business of manufacturers, producer, dealers, processors, distributors, exporters, importers and sell of all kinds of tiles

The management of GOOWILL TANZANIA CERAMIC CO LTD, hereby is applying to register a new project manufacturing of packaging materials.

We expect to add a new production line to which will increase the local number of employees twice the current number of local employees. We have a project of manufacturing of ceramic tiles and other related products registered at Tanzania Investment Centre with certificate of incentive number 042981. We intend on registering a ne project which involves manufacturing of packaging materials such as boxes.

In view of the above, we therefore humbly request your office to accord our company and positively regard this application

We thank you in advance.
