## 1.0 INTRODUCTION.

JORDAN MOTORCLES COMPANY LIMITED is a project registered under the Centre Certificate of Incentive no. 043007 dated 04<sup>th</sup> March, 2016 with objective of assembling motor cycles.

At present, the company has sought to expand its objective of production by securing loan facility in tune of nine hundred million Tanzanian Shillings from NMB Bank.

## **2.0 LOCATION**

The office and project is located at Mlowo Industrial Area, Mlowo district, Mbozi region

## **2.0 OBJECTIVE OF THE VISIT**

On 25<sup>th</sup> February, the Officer's from Tanzania Investment Centre visited Jordan Motorcycle Limited assembling plant at Songwe region to verify the project development status prior to recommending the approval extension of their certificate of Incentive no 043007.

### **2.1 PVV SPECIFIC OBJECTIVE.**

- i. The main objective of the visit was to assess the progress of the project particularly assessing the actual activities happening in the field and come up with a report of whether the application for extension to be granted or not as per TIC Certificate of Incentives No. 043007;
- ii. To analyse the Company's achievements and challenges to-date;

## **3.0 PRESENT**

The following representatives were PVV team members involved; -

- i. Mr Ajelandro Sindano - Investment Promotion/Facilitation Officer
- ii. Mr. Barton Mwakyembe (Chief Executive Officer)

#### **4.1 PROJECT DESCRIPTION.**

#### **4.2 Current status of the project**

Mr Mwakyembe informed the TIC officer that the JORDAN MOTORCLES COMPAN LIMITED started its operation before 2016 dealing with assembling of motorcycles. On year 2016 the shareholder decide to buy all the shares from former shareholders who were Chinese citizen whereby all the assets, equipment's and brand where shifted to new local shareholders.

#### **4.3 Assets and Equipment's**

The company owns, one (1) line of production full equipped, air pressure producer, Motor Vehicle (Land Cruiser) and Warehouse.

#### **4.4 Employment**

Currently the project has employ 20 where by all are permanent local and no casual labours, this number may increase due to the demand of the product from the customers.

#### **4.5 Production/Capacity**

Currently, the company can assemble an average of 1000 motorcycle per annum but expected to increase the production to 4000 per annum after investing on new and latest line of production

## **6.0 OBSERVATIONS AND ANALYSIS.**

It was observed that;

- i. The project has implemented and can assemble not less than 15-20 motorcycles per day.
- ii. The company owns the truck with registration number T870DRD and trailer with registration number T548DRQ
- iii. The project employ more than 10 employees and creates lot of indirect employment.
- iv. Through the Loan offer (annexed) the company can increase its line of production which will have multiple effects.
- v. As observed, the project owned by local Tanzanian located in Songwe region where there are few number of TIC registered projects compared to other regions. This can be good case study to other regional investors that will attract them to register their projects with TIC.

## **7.0 CHALLENGES.**

The biggest challenge the company facing is power cut from TANESCO. Although Tanesco Regional office promised to solve that through installing new power station in Songwe region. Now Songwe region depends on Mbeya region on power transmission facilities.

## 8.0 CONCLUSION

The physical visit shows that the company is well operating and need extension of Certificate of Incentive due to well signs of progress as well as they delayed to accomplish their investment due to factors narrated above.

I submit for your guidance.
