Dear Sir

RE:APPLICATION FOR CERTIFICATE OF INCENTIVES

Referring to the heading above.

Keds(Tanzania) Co. Limited is a duly registered foreign company in Tanzania under cap.212 of the law of Tanzania and has obtained certificates of incorporation as well as TIC Certificates no 124754 and 043073 respectively ,with copies attached.

In response to the Industrialization call by his Excellency The Late President John Pombe Magufuli, our company have had invested USD 9.807millions for establishment of factory for producing washing powder at Lulanzi area in kibaha town and now is investing the capital of \$ 9,100,000. As per our business plan submitted to you , we have planned to purchase 150 trailers and tractors for the local and transit cargo transportation.

Over the past few years Keds had done a lot of products improvement which provided the market with technically advanced products with focus on delivery precision and quality experienced. This improvement increased customer demand in terms of both new and present customers and attained a market share of 30% this has created an opportunity for us to think of another investment which could help us to minimize cost of production but also to help other factories and business owner improve the quality and quantity through the best approach for the transport services and this is the reason why we decided to invest on this spectacular project .We are requesting your esteemed office to register this project and provide us with certificate of incentive ..

We are hoping that our request will be considered and looking forward to your prompt action. With this letter we have attached business plan for the project, memorandum and article of Association, bank statement, and the Tittle deed for your reference and consideration.

Your faithfully,

Bin Song
