RE: APPLICATION FOR EXTENSION OF TIC CERTIFICATE OF INCENTIVES

We are a TIC registered project holding TIC Certificate of Incentives No. 001047 dated 30th November 2017 granted for purposes of establishing and procure essential heavy duty trucks, heavy duty trailers, low bed trailers, heavy duty tippers, and fuel tankers in relation to the project as well as construct storage facilities and procure and install all the necessary cargo handling facilities.

Because of unexpected circumstances implementation of the project has taken too long than expected leading to expiry of implementation period than earlier anticipated thereby exceeding implementation period provided by TIC Certificate of Incentive No. 001047 which was October 2020 and operative date of the project was November, 2020. Dominick Logistics (Tanzania) Limited humbly submit application for Extension of TIC Certificate of Incentives No. 001047 dated 30th December 2017 to enable finalization of implementation of the ongoing planned project.

Attached herewith please find the following basic documents for ease of reference and approval:

1. Project Progress Report,
2. Current Original Certificate of Incentives;

Thanking you for your kind cooperation.

Yours sincerely,

Leonard Rubuye
MANAGING DIRECTOR
