Dar es Salaam.

Dear Sir/Madam,

Subject: attachment for progress report/Delaying for line 2(line 10)

We, Maisha Bottlers and Beverages Ltd are manufacturers of carbonated soft drinks and beverages at Kiwalani, Dar es Salaam under TBS licence 2481 requesting your good office to please go through attached annex as the supporting proof of the cause of delays of line no. 2 installation as in result we request the extension of certificate of incentive. Please note you will find in the trail emails mentioned line no. 9 and line no. 10, that will be referring line no. 1 and line no 2 respectively. This is due to having eight other lines under the same premises.

Annex I, in this attachment you will find email trail to and from our management to supplier and vice versa which show the final email from supplier confirmed they will delay submitting to us the line no. 10 (line no. 2) lay out caused by covid-19 .

Annex II, we attach the final Minutes of Meeting (MOM) pertaining modification in line no. 1(line no. 9) and subsequent modification in line to be dispatched (line no. 10).

Annex III, we attach email trail with supplier which show the delay confirmation of line 10(line 2) machine containers book plan from supplier.

Annex IV, we attach email trail with supplier regarding line no. 2 (line no. 10) air cooled chiller change advice from supplier due to the performance of the supplied chiller for line no. 1(line 9).

Annex V, we attach the audit report of the line no.1 (line no. 9) which show its expected performance with reality performance.

Kindly provide us the extension of certificate of incentive so that we can finalize the installation of machinery and equipment for our plant.

Thank you for your continuing cooperation.

Yours Faithfully,

*Antony George*
