HTML Message (1 KB)

Dear My. Yanhl Wang,

Kindly, please refer to my phone call today 31st March 2021 regarding the **subject** above (0678 352 000). We acknowledge receipt your application letter for project implementation extension.

Please may you give reason/justification as to why your application for implementation period extension be considered?. It is our expectation that your project could be implemented as per your business plan.

Kindly please write to us and enclose any evidence if any to justify your application. The Centre will consider accordingly and will inform you of its decision.

Best regards
