RBST International Agribusiness Ltd.,
P.O. Box No. 1217,
Mtwara, Tanzania

Dear Sir,

As we have been funding all these years, the Company confirms it will arrange for funds as overseas facilitator through financial agreement between Company and overseas lenders. The purpose of lending is to meet the Company's operational purposes like buying agro commodities and export the same and to meet the capital investment items cost for the proposed sesame seeds cleaning factory in Dar Es Salaam.

In the context of the above, for the proposed sesame seeds cleaning facilities project that RBST International Agribusiness Ltd. is going to set up in Dar Es Salaam, we will arrange for RBST International Agribusiness Ltd. to be given a loan of USD 2,080,000 to cover both its capex and its initial working capital. The terms of this loan will be:

- (f) Amount USD 2,080,000*
- (g) Loan interest 7.5% p.a.*
- (h) Duration of the loan will be five years*
- (i) Loan repayment will be on a monthly annuity basis starting from the end of the grace period*
- (j) Grace period of loan repayment will be six months from date project starts its commercial operations.*

Rest assured

Yours sincerely
