RE: UPDATING INFORMATION ON TIC CERTIFICATE FOR MR ZUOPO WANG

Reference is made to the above heading,

I, **Mr. Zuopo Wang** the Director and one of the shareholders of WAADILIFU INVESTMENT COMPANY LIMITED which is incorporated in the United Republic of Tanzania in the 24/07/2018

I acquired the shares on the 18/10/2018 via **Share Certificate** (No. of share3200) With this letter, I do request your good office to update the company details information on certificate of incentive so that it can bear my name as far as the terms and conditions are concerned. I'm ready to pay any prescribed fees for the process. Also the director Zhong Aifang is no longer the share holder of this company because she sold all her shares to Zuopo Wang.

I hope this explanation on my request will meet your consideration regarding the above matter in question and thus updating the required information on my behalf.

We thank you in advance for your understanding and assistance regarding this matter.

Yours faithfully

.....
ZUOPO WANG
DIRECTOR.
