RE: Requesting to register our company under TIC

Dear Sir/Madam,

“Chamwino Printing Technologies Limited”. Used to be a local commercial printing company owned and Managed over few years since its inception under the leadership of Mr. Masegesa Magira Magoma.

After a period of time due to new environment challenges and innovative ideas to do business, using the latest printing technology, we have decided to **set up a Printing and Manufacturing unit** with a foreign partner and new shareholders who have vast knowledge of printing industry experience at various level, to handle various projects from start to the end.

Thus, board of directors brought on board a new business partners who **bought a share with the company**. We hope that with our new board members, company will improve efficiency and effectiveness through the implementation of Total Quality Management.

We do hope our application will highly be considered to obtain the Certificate of Incentive. (all documents are Enclosed here with for your reference)

Thank you in advance.

Regards,
Chairman

Masegesa Magira Magoma
