RE: APPLICATION FOR CERTIFICATE OF INCENTIVES.

Humbly refers the title above.

I have a big respect to inform your good office that I have registered a company aim at **establishing a project of Manufacturing of LED Bulb, electrical gasket and electrical components.** Also the industrial manufacture refractory products electrical cables and lighting equipment and electrical goods. These bulb gaskets allied products come from different materials such as Polybuty lene (PB), Polypropylene (PP), Polycarbonate (PC), Bulb holder/ socket, Light source board, Drive power, T- bubble Aluminium plate and A-Aluminium plate which will be available from Asian countries like china and other.

Due to easily availability of water, electricity labor power and enough space in Mkuranga Disrict, Pwani Region, we have decided to allocate be located; office and industry at Plot Number 05 Block D, Mpeko Ward, Mwanambaya Village.

The project has created employment opportunities for many Tanzanians. Also, small scale business people will get money through whole and retail selling direct to small stakeholders to Tanzania and other countries. The project has already employ **eight (80) Tanzanians** immediately after starting the process of manufacturing.

Now, I beg your good office to give my company through this project **the certificate of incentives** so as to facilitate the investment.

Together with this letter I attach all necessary documents as required by Tanzania Investment centre.

Thanking you,

YAN YONG
DIRECTOR
