RE; STATUS OF THE ENVIRONMENTAL IMPACT STATEMENT FOR THE PROPOSED UPGRADING OF LIVESTOCK, POULTRY FEED PRODUCTION PLANT LOCATED ON PLOT NO.163, CHANG'OMBE INDUSTRIAL AREA, CHANG'OMBE WARD, TEMEKE MUNICIPALITY IN DAR ES SALAAM REGION

Refer to the above heading

We would like to inform you that, the Council has received a letter from NUTRIGROUP (T) Limited requesting support letter to allow your office to process other operational licences for the proposed livestock Poultry feed production plant located on Plot no.163, Chang'ombe industrial area, Chang'ombe ward, Temeke municipality in Dar es Salaam region. Being in mind that the project was registered at the Council and allotted Application Reference No. **10533**.

The project is going through the EIA process as per EIA and Audit regulations of 2005 and its Amendment of 2018. Site verification has already been conducted and that the project is at the stage of improving the project document before recommending to the Minister responsible for environment for issuance of certificate. The site visit revealed that the project has no negative environmental impact that cannot be mitigated.

In view of the above, the Council has no objection for your office to process other relevant permits as required. However this letter should not be construed as the Provisional Environmental Clearance (PEC) that is issued by the Minister responsible for Environment

Sincerely,

Alfred E. Msokwa
