TAN RAN GREEN ENERGY LIMITED AMMENDMENT

Refer to the above subject matter.

Tan Ran Green Energy Limited is a private liability company which is registered in Tanzania under the company's Act Cap 212 on 19th June 2019 with a certificate of incorporation No. 139346645 and with a Tax Payer identification Number 139-346-645 issued by TRA Kibaha and Tanzania Investment Centre Certificate of Incentives no 025509. The main goal of the company is to carry on the business of recycling waste tires to get end product Pyrolysis Oil

Tan Ran Green Energy has acquired a land Plot 43 & 133 Block H in Kibaha región, Visiga Ward in Zegereni Street Industrial Area and that is where the Project is based.

We wish to amend details on our certificate of incentives, which is the plot number since we registered for the certificate of incentives we hadn't surveyed our land. We have already surveyed and we wish these details to be added to the certificate of incentives. Plot no 33 & 133 Block H Zegereni, Visiga-Kibaha, Pwani. As per the requirements for amendment of the certificate of incentives there project photos as an attachment, the original certificate of incentives, and payment receipt of \$1000.

We thank you in advance for your cooperation and we look forward to hearing from your esteemed office as soon as you can.

Regards,
