Refer to the above captioned heading.

We are requesting for amendment of plot details on the TIC Certificate of Incentives. Plot no. 29 which was on our previous drawing has been deleted and instead included in our new drawing with the following plot numbers **518, 519, 520, 521**.

We are therefore requesting for the amendment of the TIC certificate to include **plots no. 518, 519, 520, 521** which are all located at **Block 'A', Zegereni Industrial Area, Visiga ward, Kibaha district in Pwani Region** and to delete plot no. 29.

We enclose the following documents to support his application:

1. Original certificate of incentive
2. Surveyed map
