**RE: Proposed Vocational Training Center in Kipili Tanzania**

To whom it may concern,

Please find attached to this cover letter all of the necessary documents to register and establish a vocational center in Kipili Tanzania, Kipili is located in the Nkasi district, in the Rukwa region, on the shores of Lake Tanganyika.

It is our intention to establish a state-of-the-art training center in order to greatly increase the technical and practical knowledge and skills of people from within in and outside of the region. Our goal is to provide said training in order to elevate the living conditions of people through quality education and an introduction of high quality workmanship and increased opportunity into the business and job market.

Very truly yours,
