**Re: Amendment of Project location -
TIC Certificate 2020-10189 "MyAfrica"**

05.12.2020

Dear Ladies & Gentlemen,

We have received the TIC Certificate by early November, but we have realized that the listed Plot number "112" of the project is only one (1) of the listed five (5) plot numbers.

Our project is going to be established on 5 different plots, which are attached to this letter.

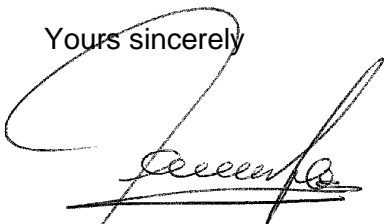

Please correct the certificate by listing all 5 plots (documents attached) on the project documents & certificate.

Block "A" Malula Arumeru District

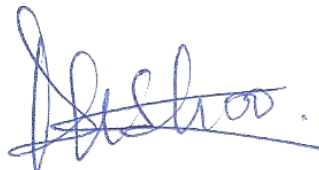

Plot 111
Plot 112
Plot 122
Plot 123
Plot 124

We are looking to a fast correction and to receive the Certificate with all 5 correct Plot numbers.
Thank you in advance.

Yours sincerely

Tom Kunkler
