DAR ES SALAAM

Dear Sir/Madam,

29th June 2020

RE: APPLICATION FOR AMENDMENTS /CHANGE OF CERTIFICATE OF INCENTIVES OF PWANI STEEL INDUSTRY LIMITED.

Refers to the above captioned subject matter. We Pwani Steel industry Limited are writing this letter to your good office to request amendment/ change of the Certificate of Incentives.

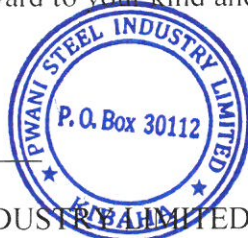

The reason for the above subject is complying to the rules and regulation of the government, our current certificate of incentive shows the surveyed land for our project is in plot number 19-22 block D which is located at Zegereni industrial area at Kibaha in Pwani region. Few months ago we bought small piece of land bordering plot number 19, this resulted to increase in size of this plot and also resulted to the plot survey cancelation. as we are today this plot number 19 does not exist and is its now plot number 23 after resurvey, meaning we now have plot number 23, 20, 21 and 22 block D Zegereni industrial area.

It is in this situation we are asking your good office to approve amendment/change of Certificate of Incentives for Pwani Steel Industry Limited.

Further we attach Original Certificate of Incentives, project progress report for the past 6month Tanzania Investment Centre (TIC) payment Receipt to support this application.

We are looking forward to your kind and positive response on the above.

Yours faithfully,

PWANI STEEL INDUSTRY LIMITED
