Dear Sir/Dear Madam,

RE: APPLICATION FOR TIC CERTIFICATE OF INCENTIVE

Kindly make reference to the above heading.

We are hereby humbly applying for the certificate of incentive for our new company by the name **GAP TECHNOLOGY (T) LIMITED**, with the sole objective of processing, refining and packaging of fertilizers (Gap Mbolea).

The factory is intended to be placed at our sister's company Hangzhou Agrochemicals (T) Limited's (the Guarantor) plot number 140/1 Block "D" Temeke Trade Services, Dar Es Salaam. The Guarantor's current bank statement is hereby attached to prove our commitment to reach and supersede the minimum capital investment required for foreign investors, as at this early stage we cannot open a bank account until we have your certificate of incentive and also work and residence permits for our directors.

Accompanying this request are:

- i. You application form duly filled by our representative Advocate Jimmy Mrosso of Lexicon Attorneys, who is duly authorized to process our request on our behalf,
- ii. Proof of payment of USD. 1,100 application fees through NMB bank,
- iii. Memorandum and articles of association,
- iv. Certificate of incorporation,
- v. Board Resolution,

- vi. Lease agreement with our sister company Hangzhou, and
- vii. Guarantor's (Hangzhou) bank statement and covering letter.

We remain optimistic that our request will meet your positive consideration and in good time so that we may proceed with the project as determined and bring competition in the field for the advantage of the local market.

Sincerely yours,

Xiao ming Gong

Director,

GAP TECHNOLOGY (T) LIMITED.
