**RE: DISSATISFACTION OF YOUR CONDUCT DURING APPLICATION OF
CERTIFICATE OF INCENTIVES**

Refer to the above subject matter and your letter of 5th August, 2020.

2. Very respectfully, Tanzania Investment Centre (TIC) has to ensure a higher level of integrity among our staff. Hence with the same spirit, we call upon our stakeholders not to abuse the same by influencing public officials entrusted with the duty to save you in and outside the TIC offices.
3. We are recalling the project registration request which was submitted to our office on 14th September, 2020 and during evaluation process it was realized that the bank statement claimed to be issued by the Agriculture Bank of China was a forged document.
4. On 18th November, 2020 you wrote a letter to us confirming that the documents which were submitted by your consultant for TIC certificate application was not genuine and along with this you submitted other documents including the bank statement from Stanbic Bank.
5. TIC therefore writes this letter to strongly express dissatisfaction with this illegal act and call upon you to strictly abide the laid down Tanzanian laws, regulations and procedures.
6. Please be guide accordingly.

Yours Sincerely,

Dr. Maduhu I. Kazi
EXECUTIVE DIRECTOR
