RE: APPLICATION FOR CERTIFICATE OF INCENTIVES

Humbly refers the title above.

I have a big respect to inform your good office that I have registered a company aim at **establishing a project of manufacturing of building (constructing) materials**. These building materials will come from industrial minerals which will be available from small miners. The **industrial minerals** such as white stones, dolomites, calcite, white marble, and others are used in **building materials** after quarried (mined), and crushed into small pieces. The building materials such as **coatings, paints, and gypsum board** will be manufactured just to mention the few. The company will buy industrial minerals from small – scale miners in Tanzania and process them into various products.

Due to easily availability of industrial minerals in Tanga, Pwani, Morogoro and Lindi, we have decided to allocate our project site in **MBEHOMBEHO VILLAGE, MKUYUNI** ward covering the area under the mining license NO. 577/2017 in rural **MOROGORO** where the industry will be located; but the **office** for other documentation will be in Dar es Salaam. Plot No.18, Block No. 45A, Derm Plaza, Kijitonyama, Kinondoni.

The project will create employment opportunities for many Tanzanians. Also, small scale miners will get money through selling direct industrial minerals to the project. The project is expecting to employ **eight (80) Tanzanians and 8 foreigners** immediately after starting the process of manufacturing.

Now, I beg your good office to give my company **the certificate of incentives** so as to facilitate the investment.

Together with this letter I attach all necessary documents as required by Tanzania Investment centre.

Thanking you

.....
ZHEHONG WENG
MANAGING DIRECTOR
