DERIVATIVE

REF: APPLICATION FOR DELIVERY RIGHT AND CERTIFICATE OF INCENTIVES

Please refer to the above subject matter. On behalf of the management of SUTAPRO COMPANY TANZANIA LTD, we would like to inform you after conducted researches in different regions in Tanzania, we have decided to invest in Kahama - Shinyanga region. Furthermore we agreed to buy two lands located in Kahama – Mondo and Mwendakulima wards. All initial arrangements have been made including payment to the land owners of the respective areas as part of process. So we would like to inform you that after critically evaluate all Political and Economic Environments in Tanzania, we motivated and agreed to invest in mining processing industry at Kahama district, Shinyanga region.

With the land, we have applied for NEMC certificate which undergo on process and also involved District land office for physical survey of the land (Plotting, Survey and Town planner) and arranged for all necessary and relevant Governmental Documents that will help us in the process of acquiring Title deed for our plot.

We are presenting this matter to your office so that you will help us in further TIC procedures while waiting for other documents under your assistances.

It's our belief that you will take our request into consideration and issue to us Delivery Rights so that we can get Title deed for land as well as approval of certificate of Incentives to our Company for the best of Kahama, Lake zone, the Nation and our company in general.
