Re: APPLICATION FOR A CERTIFICATE OF INCENTIVES FOR
ESTABLISHMENT OF BRIQUETTE PLANT

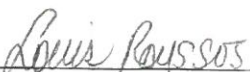

We kindly apply for TIC Certificate of Incentive in order to invest in planting, growing and harvesting of elephant grass to produce biomass briquette as an alternative fuel to wood and charcoal.

The Certificate of Incentives will enable our company to be exempted from paying import duty and VAT during importation of various types of projects capital goods required by the project.

Enclosed herewith, please find relevant documents for your review and approval of the project as follows;

- a) Copy of Certificate of Incorporation
- b) Memorandum and Articles of Association
- c) Board Resolution
- d) Business plan
- e) TIC Application forms

Thank you for your cooperation.
