REF: REQUEST FOR FURTHER GUIDANCE ON THE CERTIFICATE OF
INCENTIVES

Dear Director General,

We respectfully write to seek your further guidance and support regarding our application for the Certificate of Incentives submitted under the name ZHONGXING INDUSTRIAL COMPANY LIMITED, a duly registered company with incorporation number 182943363.

Initially, our application was submitted under the business category Manufacturing of Mineral Water and Soft Drinks, with a declared investment of USD 500,000. Following the kind advice and guidance from your esteemed Senior Investment Officers, we revised the business category to Manufacturing of Plastics and PVC Products. In line with the scope and future potential of the project, we have now further revised our proposed capital investment to USD 3,500,000 to reflect the actual scale and growth prospects of the investment.

In commitment to this project, we have already acquired 16 hectares of land designated for the intended development. However, as you are aware, we are unable to proceed further or secure full ownership of the land without the provision of Derivative Rights through your esteemed office.

To support your further review and consideration, we have attached the Sales Agreement and a Letter of No Objection from the Kibaha Municipality.

We kindly appeal for your continued support at this critical stage. It has now been over two months since the commencement of our application, and your timely guidance is crucial for the successful implementation of this important investment project.

We sincerely thank you for your ongoing support and look forward to your kind and prompt assistance.

Yours faithfully,

吴文杰
