Dear Sir,

REF: **INVESTMENT IN COCOA PROCESSING PLANT AT MABABU IN KYELA**

Heading above is concerned,

Tanzania Agricultural development Bank ( TADB) is interested in developing cocoa value chain and especially in value addition,developing nursaries,Quality and organic farming. The model of financing will be Intergrated value chain financing ( IVCF).

The Bank is ready to finance Livy Africa which is working with Mababu CCF in setting up a processing plant that will add value of cocoa into powder and cocoa butter. The bank is there fore waiting for relevant documentations and applications to proceed with loan process

Looking forward for your respons

Yours Sincerely,

……

Alphonce Mokoki
