TO THE EXECUTIVE DIRECTOR,
TANZANIA INVESTMENT CENTRE,
SHAABAN ROBERT STREET,
DAR ES SALAAM

Dear Sir,

RE: EXPANSION PROGRAMME OF MINJINGU MINES
AND FERTILIZER LIMITED

In confidence together with this letter we enclose a detailed feasibility study report in order to facilitate expansion programme of the factory. We have taken trouble also to enclose several key legal and administrative documents which prove that the project was and still is operating within the ambit of law. Guided as we are by the company strategic plan, the Directors and Shareholders have tentative plans of implementing this project in phases up and including f/y 2025. It is our hope counting on your usual official cooperation you will read, digest and finally issue certificate of incentive to enable us on behalf of our clients to apply capital deemed capital goods to Tanzania Revenue Authority – Customs Department – All key legal and administrative documents together with professional informations and computation extracted from the feasibility study report have been remitted through your official email cerfiticat@gmail.com –. For all this we thank you in advance.

Sincerely Yours.

.....
