Dear Sir/Madam

RE: APPLICATION FOR AMENDMENT OF CERTIFICATE OF INCENTIVES

Kindly consider the above heading, Dirilis Foods and cooking Oil Ltd is a company limited by share dealing supplying of different agricultural products and building materials. in that regard we applied for certificate of incentive and approval to establish a project of producing steel doors and PVC doors and windows, which we got from your good office on 18/06/2020.

During the year of production some changes arose and there be a need to update our shareholders, name of business and location. We required to update our shareholders because there were other shareholder who bought share and one sold his shares. This will help to process permits for our directors.

Also there was inconvenience of handling stocks and material for production in which we decided to find a convenient and better place to run the project.

And lastly the name of the company had to be changed from being DIRILIS FOODS AND COOKING OIL LTD to DIRILIS FOOD AND BUILDING LTD because often it gets hard to tell some clients that we also deals with building materials. Kindly help us update the name, shareholders and location of our project in our certificate of incentive.

Thank you in advance as we believe our request will be processed
