### RE: REQUEST TO AMMEND ADDRESS OF CERTIFICATE OF INCENTIVES FROM THE CURRENT TO PLOT 601 BLOCK A ZEGERENI, KIBAHA, COAST REGION

Refer to the heading above,

Everwell Cable and Engineering Company Limited is a company incorporated under the company act of 2002 to carry out the business of manufacturing of electrical equipment and electrical poles. Our company ahs acquired a new land in Zegereni, Kibaha in Coastal region.

Our company has registered their new project at Tanzania Investment Centre with certificate of incentives number 20214373 issued on 28<sup>th</sup> day of April 2021. We had faced aa challenge in the land documents we had been issued by the Kibaha Town Council which was the proper plot number allocated by their institution for newly land acquired by Everwell Cable and Engineering Company Limited.

We have finally been issued the last and final plot number for our land and Everwell Cable and Engineering Company Limited wishes to amend their certificate of incentives and add a new address to replace the current address being displayed on the certificate of incentives. The new address is Plot no 601 Block A Zegereni Industrial Area, Kibaha Township, Coast Region

We thank you in advance for your continued cooperation and we look forward to our certificate to being amended.

Yours Sincerely,
