Ag. DIF

Refer M (3),

Investor submitted evidence documents as requested as per folio 7&8.

Base on submitted documents, PVV report and summary analysis folio 5 and 6. I suggest that the project to be considered for extension of 1 year and amendments of location as per request in folio (7). Furthermore, investor did not utilize any fiscal incentive before and the project is within 5 years of implementation period required by Centre

I submit for your further action,

Julie Muro

7. EXO - M7 F12

I hereby submit a recommendation for 2 years extension period to enable completion of project establishment which was delayed due power connectivity challenges leading to location relocation and finding access from NMB. Project has not enjoyed any fiscal incentives before.
