Dear Sir,

RE: EXTENSION FOR CERTIFICATE OF INCENTIVES NO: 042859

We are a TIC approved project with certificate of Incentives No; **042859** Which is valid up to **May, 2020.**

The Company has been registered with objective of **Producing High Quality Hot Rolled Steel Section Black Pipes, plates deformed Bars and related products.**

We have decided to add the following to our current facilities as per the progress reports we have been submitting from time to time:

Set up steel plants manufacturing billets and plan to install AOD machine to convert the molten scrap into billets with reduced carbon content to produce TMT bars from the locally available scrap metal. Tube mill will be commissioned Below constructions have been planned to start in the second half of 2021:

- Scrap sorting and bundling plant
- A new Gas producing plant to supply gas to AOD plant
- Fumes Extraction system
- Central store for upkeep of consumables and spare
- Workshop for repairing and maintaining own trucks and equipments
- New weighbridge to accommodate the volume of sales and incoming scrap
- Staff canteens • Staff quarters
- Second Tube Mill will be commissioned before end of 2021 • Compound wall around the factory

The scrap plant as mentioned under point 1 will be constructed on Plot No. 1 (Title Number 121146), Block B, Kisemvule, Mkuranga District.

As our project has not been completed and continuing with more additions, we request your goods office to extend the current TIC certificates to enable us complete the ongoing and planned projects as mentioned above.

Yours Sincerely

For **LODHIA STEEL INDUSTRIES LIMITED**
