RE: Application to Extend Project Implementation Period

We Fujian Hexingwang Industry Tanzania Co Limited is private company registered under the company's act of 2002 to carry out the business of manufacturing of Steel Bars and other metal products. Our industry is located at Plot no 24 Block Kisemvule, Mkuranga, Coast Region.

Fujian Hexingwang Industry Tanzania Co Limited bears the certificate of incentive no 019210 obtained in 05th December 2018, implantation period for the registered project was from December 2018 until November 2021. We are hereby requesting to extend implementation period of our hence we are still on the process of finalizing our project so as our operation and production can be done smoothly. We intend on ordering more machines and raw material to complete our industry setup as per our plan for the industry while we were registering the project.

We are humbly submitting our application for extension of the project implementation period. We thank you in advance for your continued cooperation.

Yours Sincerely,

Human Resources Officer
