Re: APPLICATION FOR THE CERTIFICATE OF INCENTIVES

We intend to establish a manufacturing facility for the production of steel and galvanized wire products. In that respect, we have decided to apply for the Certificate of Incentives in order to benefit from the incentives obtained at your Centre. We are attaching the following documents in order to enable the Centre issue the Certificate of incentives for our Project.

1. Application Form
2. Certificate of Incorporation
3. Memorandum and Articles of Association
4. Business Plan
5. Evidence of Land ownership
6. Bank statements
7. Board resolution
8. Shareholders Status from BRELA

We hope our application will meet your favorable consideration and be registered at the earliest

Yours faithfully,

.....
Director
