Dear Sir/Madam,

APPLICATION FOR THE EXTENSION OF THE IMPLEMENTATION PERIOD – TIC CERTIFICATE OF INCENTIVES NO 004061 - TO DECEMBER 2022

Reference is made to the above project and our investment progress report with relation to the project.

We would like to bring to your kind attention, the above project is on verge of completion with construction activities and installation and commissioning of core machineries phase completed, and part installation of ancillary machines being carried out. However, due to the below unforeseen setbacks we require an extension for the project to be fully complete:

- Due to technological changes in the industry over the last 2 years, some ancillary machines had earlier not been envisaged, which are now required to facilitate the product mix.
- For achieving operational efficiency, some workflow processes need to be modernized with automated tools which could only be deduced once the layout was complete phase wise and this has given rise to some

automated machines such as stackers, lifts and other equipment which is critical to our process.

In light of the above new challenges and huge global shipping lead times, we therefore apply for an extension of 1 year to the implementation period (to December 2022), to enable us to complete the project as planned. We have attached our Investment progress report and pictures for your swift perusal.

We shall be very grateful to Tanzania Investment Centre and sincerely hope that our application will meet your favorable consideration at the earliest.

Yours sincerely,
