

FSI/CX/17/2022

13th July 2022

Executive Director,
Tanzania Investment Centre
P.O. Box 938,
Dar es Salaam,
Tanzania.

Dear Sir,

RE: REQUEST FOR RE-ISSUE OF CERTIFICATE OF INCENTIVES NO. 061340

Reference is made to the captioned subject.

We are holders of certificate of incentives number 061340 with the objective of establishing warehouses and show rooms.

Unfortunately, due to Covid implications and financial constraints we were not able to proceed with the implementation of the project as planned and as such did not utilize the exemptions and other benefits under the scheme. This can be confirmed in TRA Customs Operation System TANCIS that even the few importations we made taxes thereon were paid in full.

We are now at an advanced stage of building a special structure, where a state-of-the-art cosmetics plant is going to be established.

From our inception, we have paid over 500 million Shillings in corporate taxes and around 870million in VAT together with other governmental taxes.

Based on the aforementioned, we humbly request your good office to re issue TIC certificate 061340 to allow us to implement the project.

We hope you will consider our request as our intentions are for the benefit the nation.

Yours faithfully,

.....
Managing Director
