RE: APPLICATION FOR THE CERTIFICATE OF INCENTIVES FOR CARGO TRANSPORTATION

I refer to your message sent to me concerning my online application dated 12/11/2022 to obtain Certificate of Incentives for the establishment of Cargo Transportation in Tanzania.

Please be informed that we made an application way back in 2018, but unfortunately, we did not pursue to the end and hence did not obtain the said Certificate of Incentives and hence could not enjoy any benefit pertaining to the Certificate of Incentives and on that regard, we have re-apply again as per our application dated 12/11/2022.

By this letter we wish to confirm that we did not receive any Certificate of Incentives and also did not enjoy any fiscal and non-fiscal incentives.

We are therefore kindly requesting your good office to approve our application so that we can obtain the Certificate of Incentives which will enable us to enjoy the Fiscal and Non-Fiscal Incentives and hence reduce costs of establishment.

We hope our application will be considered favorably at the earliest.

Yours faithfully,

.....
